OUR COMPANY HISTORY

Our History

In the year 2014 the Company was established based on the country's desert climate, characterized by pleasantly mild winters and very hot, sunny summers, with the humidity of the Persian Gulf that makes the heat unbearable which is now become the primary concern in the region.

Golden Globe Electromechanical Services LLC strives to become the most well known reliable technical partner and reputable Air Conditioning service provider across the UAE with the target focuses on HVAC (Heating, Ventilation and Air Conditioning).

The company is owned and operated by its co-founders, each has had extensive experience working with HVAC related works. Since the opening in April 2014 Golden Globe Electromechanical Services LLC has proudly reached and continuously achieving the milestone in the HVAC Industry up to this date.

MISSION, VISION & VALUES

Our Mission

Our Mission is to provide facilities exceeding anticipation in the field of Construction Engineering project Management with an objective of repeatedly improving our process towards accomplishing operational excellence in a socially responsible, professional, friendly and profitable manner. We commence MEP contracts works for high rise commercial & housing buildings, industrial complexes, warehouses, private villas etc.

Our Vision

To serve as a Reliable Technical Partner to our Commercial and Residential/Individual clients at a Reasonable Price, Quality product, Prompt Service with 100 % Client Satisfaction and with the aim of developing a close working relationship with the clients.

Our Values

Our Company values are vital to the overall success of our organization. We at Golden Glove Electromechanical Services LLC are dedicated to consistently provide outstanding services to our valued clients that will help us to develop a good relationship and make a positive difference in our

COMPANY OVER VIEW

Golden Globe Electromechanical Services LLC is a Dubai based company established to provide Technical supports and Services on Building related contract works including HVAC, MEP, Maintenance and Building Management Systems within the Middle East. Our technical team has more than 15 years experience and our Management team has also vast business experience in this field.

Golden Globe Electromechanical Services LLC Services Offered: **HVAC Works, MEP Works & Facilities Management Services.**
